WITH QUASAR SOUND

StarSound

From Starvision International

INCLUDING!

Quasar Sampling System

Stereo & Mono Capability

Line and Microphone Switches

Left & Right Channel Controllers

Digital V/U & Peak Indicators

Microphone Adaptor

Direct Sampling Ability

Manual & QuasarSound Software

StarSound brings you The Quasar Sampling System for your sound sampling needs. This dual system, uses both serial and parallel ports to double your sampling frequency range and eliminates unwanted noise common with other samplers. With a rate of 56 KhZ (28 KhZ each channel) and a direct microphone adaptor, you can sample sounds without the use of an amplifier or pre-amp. Two channel input controls (Left & Right), digital V/U and Peak indicators gives you great sound control and special effect capabilities. Manufactured in Europe, comes with Quasar-Sound Software, its easy to install and gives you the best capabilities for your money.

StarSound is available for \$139.00 Retail. For more information or to place an order contact:

Starvision International 305 Madison Avenue, Ste. 411 New York, NY 10165 Tel: (212) 867-4486
